

Discontinued Social Networks

We've all seen a social site or two come & go. It seems to fit with the extreme 'popularity contest' theme of any social ecosphere. In a way, the number of these dead social sites you remember can pinpoint your age (or at least when you became social media savvy). For a more useful way to spend time, be sure to check out a [list of social networks](#) you can actually sign up to.

1. 43Things
2. AsianAvenue
3. Audimated
